from youth and nation building

The youth of today,
 The leader of tomorrow,
 The foundation of today,
 The pillar of tomorrow.

When our youth is united,
 Every hurdle seems surmountable,
 Every path seems smooth.

Youth brings new hopes and dreams,
 For the future nation,
 Youth are the shining stars in the sky,
 Which never fades away.

Youth power is the nation's power,
 Youth is the greatest asset of nation,
 Youth are the nation's soul.

They build our dreams together,
 They live for the nation.

When youth joins hands together,
 Nothing becomes stronger,
 Youth is the responsibility for the
 next generation.

Today's youth is tomorrow's future.
