

SVB's Saraswathi College of Education & Research, Dombivli (E)

Orientation programme Report of Batch 2023-25

**Date: 22nd
November, 2023**

The event begins with lamp lighting by Principal Dr.Mary Devakumar along with all faculty members. It was an auspicious beginning of the new academic year. The event commenced with a warm welcome address by our beloved principal ma'am, Dr.Mary Devakumar, setting a positive tone for the incoming students. The importance of the B.Ed. program and the role it plays in shaping future educators was emphasized.

Students were briefed on college policies, including academic integrity, attendance requirements, and code of conduct. By Dr.Hemlata Marathe as a vice principal. This session aimed to ensure a clear understanding of the expectations and standards upheld by the institution.

The B.Ed. curriculum, course structure, and examination patterns were presented in detail by Dr.Kalpna Aurance ma'am, Senior most faculty. Faculty members provided insights into the various specializations available and the flexibility within the program to cater to diverse interests.

A guided tour of the campus familiarize students with key locations such as classrooms, libraries, laboratories, and recreational areas. This helped students feel more at home within the college premises by Dr.Hemlata Marathe ma'am as a class teacher.

Faculty-led interactive sessions allowed students to engage with their future professors, ask questions, and gain insights into the teaching methodologies adopted at the college. This fostered a sense of connection between students and faculty members.

Information regarding library resources, digital learning platforms, and other support services was shared. Students were encouraged to make the most of these resources to enhance their academic experience.

Representatives from student services, including counselling, career guidance, and extracurricular activities, provided information on the holistic support available to students beyond academics.

Ice-breaking sessions and team-building activities were organized to create a friendly and inclusive atmosphere. This allowed students to start forming connections with their peers, fostering a sense of community. Shikha Shukla and Kareena Yadav S.Y.B.Ed.students, conducted a very interesting game "Queen of Shiba wants" followed by students welcome and introduction .S.Y.B.Ed.students welcomed new students by giving handmade greeting cards which showed positive ggesture.The whole event beautifully tailored by Ms.Amrita and Ms.Astha,S.Y.B.Ed.stuents.

The orientation program at SVB's Saraswathi College of Education and Research, Dombivli for the B.Ed. batch successfully set the stage for a productive and enriching academic journey. Students left with a clearer understanding of the college's expectations, available resources, and a sense of belonging to the academic community.
