### **Science Day Celebration**

The National Science Day is celebrated with interest and enthusiasm in our college in 28 February 2025. The basic purpose of this day is to inspire students new experiments, attract them to science, and make them aware of science and scientific achievements. Also spread a message about the importance of science used in daily life of the people. The event aimed to commemorate the discovery of Raman effect and inspire the young minds to explore the wonder of science.

Theme of this year(2025) is

**"Empowering Indian Youth for Global Leadership in Science & Innovation for VIKSIT BHARAT."**

On the occasion of National science Day this year our college has arranged science exhibition. The event began with the welcome speech by the S.Y.B.Ed student Ranjana. Students showcased innovative projects and working models across various disciplines such as Science, Maths, Social Science, Commerce, Economics, English. This event witnessed participation from over 50 students from Sankara Students.

The enthusiasm and curiosity displayed by the students were commendable. Attendees appreciated the innovative projects and interactive sessions making the event grand success.

Aparajita Ghosh, a S.Y.B.Ed student, gave the power point Presentation on Science day. Hasti Gala, an F.Y.B.Ed student, led a quiz game. It was very interesting. Aparna Ingawale an F.Y.B. Ed student finally offered the vote of gratitude.
