

REPORT ON EDUCATIONAL VISIT TO UDYAM

DATE: 8.2.2025

CLASS: S.Y.B.ED

1. Introduction:

As a part of the Course-11 Gender, school and society assignment an educational visit to *UDYAM*, an initiative aimed at fostering entrepreneurship and skill development/empowerment among women and issues related to women, was organized by **SVB's College of Education and Research, Dombivli on 8th February 2025**. The purpose of the visit was to provide students with practical exposure to entrepreneurial initiatives, understand the functioning of skill development programs among the underprivileged society, and inspire them to think innovatively.

2. Objectives of the Visit:

- To gain insight into women empowerment development programs.
- To understand the role of UDYAM in promoting self-employment.
- To interact with professionals and entrepreneurs.
- To observe skill training modules and their impact on financial empowerment as a catalyst for transforming community and driving economic growth.

3. Details of the Visit:

A group of **20 students from S.y.b.ed** along with faculty member **Mrs.Rosy James** visited the UDYAM centre located at Dombivli. The visit began with a warm welcome by the UDYAM team, followed by an orientation session explaining the mission and vision of UDYAM.

The students were then taken on a guided tour of the facility, including the skill development units and entrepreneurship support cells. The visit also included interaction with trainees and young entrepreneurs who shared their success stories and challenges.

4. Key Learnings:

- Understanding of how UDYAM bridges the gap between society and underprivileged women that are unemployed.
- Real-life examples of women who transformed their lives through entrepreneurship.
- Awareness about support schemes and funding options available for start-ups.

5. Feedback from Students:

The visit was found to be highly informative and inspiring. Students appreciated the opportunity to see how theoretical knowledge is applied in real-life scenarios. Many expressed a desire to explore entrepreneurship as a career path.

6. Conclusion:

The educational visit to UDYAM was a valuable experience that broadened the students' understanding of entrepreneurship and skill development. It served as a motivational platform for aspiring entrepreneurs and reinforced the importance of innovation and self-reliance in today's world.
