Ms.Priya Rana

My B.Ed. experience was truly inspiring and life-changing. It taught me the true meaning of being a teacher — not just to share knowledge, but to shape young minds with care and patience. The lessons, the guidance from mentors, and the real classroom practice helped me grow in confidence and compassion. Every moment, from learning theories to teaching students, was filled with joy, learning, and purpose. This journey has prepared me not just for a job, but for a lifelong mission of guiding and nurturing future generations.
